# DEDICATION

To the commission of 1953-54 and all the commissions that served before it, this Copa de Oro is gratefully dedicated.

Through the efforts of the commissioners, we as a student body have learned both the principles and practices of democracy. We have learned the importance of the individual citizen. We have learned that it is not enough simply to reap benefits that accrue under such a government, but that each must share responsibility in its continuance and preservation.

We have been afforded the opportunity to observe at close range and participate in the functions of a body of our elected representatives who act on suggestions which come directly from the people.

We are proud of our heritage of freedom. We are proud and yet humbled by the knowledge that one day our hands will guide America, as do those of our parents today. We are aware of the responsibilities which exist in conjunction with these privileges, and we will endeavor to fulfill these responsibilities in such a way that succeeding generations of Americans will be as proud of their forefathers as we have been of ours.

In recognition of the service, guidance, and inspiration given us by the 1953-54 commission of South Pasadena High School, the 1954 Copa de Oro is dedicated.

## ADMINISTRATORS

South Pasadena High School is exceptionally proud of the fine leadership of the administrators and counselors this year. A school is only as successful as those who lead it, and we are indeed fortunate in having such capable administrative leaders.

Mr. Laurence Harper, superintendent of the South Pasadena city schools, directs the general policy of our school, collaborating with our principal, Dr. Elmer J. Erickson. Dr. Erickson is not only concerned with the immediate administrative matters of the school, but is also engaged in promoting good public relations with our community.

Mr. Forrest Fouts, vice-principal, came to South Pasadena from Fredonia, Kansas, where he was principal of a school for three years.

The dean of girls, Miss Margaret Lauer, is as-

sisted by Mrs. Lora George, who also teaches English. Mr. George C. Jordan is serving as boys' counselor. Each year the counselors supervise the Iowa Testing Program, covering the entire student body.

Mr. Fouts and Miss Lauer head the Boys' and Girls' Leagues, respectively.

Besides being engaged in the many responsibilities concerned with the programming and graduation preparations, Miss Lauer and Mr. Jordan organized College Day, when students had the opportunity to listen to the representatives of various colleges. On Career Day, in March, the students learned about their chosen vocations from visiting speakers.

Espee is indebted to the administration for the wonderfully successful year of 1953-54.

# FACULTY

Our South Pasadena faculty club is one of the most active teachers' associations in Southern California. Not only do they meet once a month for business meetings, but they also plan various activities throughout the year.

Miss Marian Warren, U.S. history and government teacher, is heading the Faculty Club this year as president; senior literature and composition instructor, Miss Minnie Ruth Dexter, is aiding Miss Warren as vice president of the Faculty Club. Mr. Donald Phuppin, in charge of the print shop, is serving this year as treasurer, and Miss Helen Graf fen, working with Miss Vivian Atherton as the girls' gym instructor, is secretary.

In charge of social events, which are planned for each month throughout the year, is Mrs. Annabelle Erickson. Mrs. Doris Severtson is heading the committee this year for the planning of the faculty meetings, which are held once a month for business matters. Miss Helen Reese, courtesy chairman, sees that visitors to our school are to feel that they are always welcome. The salary committee is under the direction of Mr. James Carpenter, and Miss

Helen Burr is serving as the chairman of the professional committee.

The social events planned for each month are attended either by the South Pasadena High School Faculty Club or the entire South Pasadena School District Association, which includes all faculties. In September a swimming party, which was immensely enjoyed by all, was held at Mr. Wayne Steimle's house, and in October a steak barbecue held in the Arroyo Seco Park was the center of much fun. A progressive Christmas dinner and party was acclaimed a perfect way of celebrating the Christmas holidays.

As well as participating together in activities as a club, the faculty members are kept very busy fulfilling their duties and responsibilities as teachers. South Pasadena is proud to welcome the many members of the faculty new to the teaching staff this year.

Taking the place of Mr. Richard O. Wilson as speech and dramatics coach is Mr. Robert Tewksbury. Mrs. May Larsen is replacing Miss Ruth Richardson in the English

The commission is made up of the nine commissioners and the presidents of the three classes, Bengals, the Pep Association, and of Legislative Council. Commissioner General Ron Wheatcroft led the assemblies and presided over the commission meetings. Joan Becker, Commissioner of Activities and Fred Biers, finance, were the ASB officers. By selling student body cards to over 85 per cent of the students, Joanie also provided an enjoyable combination of interesting entertainment. Assemblies this year. As Commissioner, Fisher made posters to place around campus advertising coming events. She also distributed articles and letters weekly to outside newspapers telling of Espee activities.

At the first meeting of the commission, Ron Phillips, Commissioner of Athletics, ordered letters for the term and received scores for sports events, announcing them each week. Commissioner Dave Erickson, Interior, worked with the students in organizing a successful campaign for the new building. The new building, led by the Girls' and Boys' Leaders, was a wonderful year.

A great deal of praise and appreciation is due the commission for their help in keeping up South Espee traditions in the midst of the changes in buildings and temporary difficulties.

Despite limited school facilities, the South Pasadena Girls' League enjoyed a highly successful year under the leadership of Kate Reamer, president, and Miss Margaret Lai, adviser.

# BOYS' LEAGUE

The success of the Boys' League program this year has been attributed to the cooperation between the faculty advisers and the student committee chairmen, who have worked together to present the many programs and assemblies.

Highlighting the assembly programs that the Boys' League has witnessed this year was an exciting movie that featured the European Le Mans twenty-four hour road race, in which only thirty-eight cars finished out of the one hundred or more starting. An assembly on hot rods also proved to be very entertaining.

The Boys' League also enjoyed attending the various committee meetings, for the study of such vocations as architecture, automobiles, military service, skin and deep sea

diving, world affairs, and radio, drama, and television, as well as other interesting groups.

The Icebreaker, sponsored jointly by the Boys' and Girls' League, was held this year at the South Pasadena Women's Club because of the unsafe condition of the girls' gym. This was an informal dance which helped new students to become better acquainted with South Pasadena High School. The dance on March 27, sponsored by the Boys' League, was a great success. In advertising the theme of the dance, Roadsters' Rendezvous, amusing assembly skits were offered.

At the head of the Boys' League this year was Tony French, who served as president; Dick Skaer aided Tony as vice-president. Secretary and treasurer were respectively Don Gentry and John Mott.

White senior sweaters with blue numerals designed by Jim Gorton were the hallmark of the class of 1954. These sweaters were proudly displayed during assembly while the seniors marched down the aisle to their seats.

Led by Jim Roodhouse, who presided over all senior meetings; Brad Bishop, vice president; Sue Patten, secretary; Bill Clark, treasurer; and Miss Esther Steele, class adviser, this year's seniors had an excellent scholastic achievement. Six students tied for first place in the class ratings, having a grade no lower than a "1" in their whole high school career. The class is very happy for Bob Parker, who received a scholarship to Annapolis.

The senior play, *You Can't Take it With You*, directed by Mr. Robert Tewksbury and Dave Hereford, was a riotous sensation.

Though the years may come and go, these seniors will never forget such outstanding events as the Senior Mothers Tea, Senior Breakfast, the Junior Senior Prom held at the Glendale Civic, their prize winning Christmas booth, the receiving of announcements, and the great time they had on Ditch Day.

And, of course, all will remember the memorable Baccalaureate Services, the final Farewell Assembly, and the long awaited Graduation Ceremonies.

# BENGALS

BENGAL OFFICERS: president, Diane Davis

Mary Hammond, Marylou O'Mara and Bob Cropp assist students with applications for Bengal membership.

Bengals is a service organization made up of juniors and seniors traditionally considered to be among the student-body's leaders. The Bengals act as ushers at assemblies, plays, open house night, football games, and other school functions. They provide information tables the first day of each semester to help incoming sophomores and others new to the school. They also act as guides at special teachers' institute sessions.

The Bengals sponsored a dance, held in the girls' gym on May 1, to raise funds for their treasury. This money goes toward buying pins and emblems for the incoming Bengals and for financing next year's dance.

Before many of the football games the Bengals held pot-

luck dinners in order to become better acquainted with each other. In the spring they held an initiation picnic welcoming new members.

Bengals may easily be recognized around school in their navy blue sweaters with white emblems. The club's members are selected in the spring by a committee of Bengals on the basis of service to the school, citizenship record, and leadership ability. All sophomores and juniors are invited to apply by filing records of their school activities.

The Bengals worked this year under the fine leadership of Larry Treuer, president. George Bole served as vice-president, Diane Davis, secretary; and Jim Wheeler, treasurer. Miss Hester Lauman served as faculty adviser.

BENGALS: FRONT ROW: Fisher, D. Davis, McLowell, Ashton, Wright, Parker, Lillie, Harris, Bole. THIRD ROW: Miss Lauman, H. Kiech, Ballard, Patten. FOURTH ROW: Roodhouse, K...

SECOND ROW: Treuer, French, McConnell, Cropp, Peterson, M. Davis, Ukropina, Wheeler.

# COPA DE ORO STAFF

NANCY EWING  
Editor in Chief

MR. E. H. CROOK  
Adviser

Meeting deadlines and composing well balanced pages were only two of the problems which confronted the Copa Staff of '54.

Doing a terrific job as editor-in-chief this year was Nancy Ewing, who had the huge task of keeping things running smoothly. Dorothy Jackson, assistant editor, aided Nancy in organizing the staff members into one well-co-ordinated team.

Gloria Kovacevich, editor of organizations, was in charge of all school clubs and their activities. As editor of classes Mary Andresen planned the photographing of sophomore class pictures and mounted junior and senior pictures. Judi Jones had her share of the headaches scheduling the junior and senior pictures, taken by Ernest Brooks, pho-

tographer. Campus activities, candid snapshots, and the senior index all came under the heading of the school life editor, Carol Moore. Credited with all the art in this year's Copa was Pat Henry. Her tiger kittens are found frolicking all through the pages of the Copa.

Wendell Mortimer edited boys' sports and worked with Jim Gorton and Dennis Lynch as photographer. On the financial side, Bob Christiansen headed the advertising department and was general business manager.

From the entire staff comes warm appreciation for the help that Mr. E. H. Crook, staff adviser and Miss Hester Lauman, art adviser, has given them. The staff members join in sincerely hoping you're happy with the results, your 1954 COPA!

# TIGER STAFF

MR. E. H. CROOK  
Adviser

NANCY GOWDY  
Editor-in-Chief

Assigning stories, laying out pages, and reading proof made members of the Tiger staff a busy group during 1953-54.

Thursday during fourth period was the time when classes eagerly received the Tigers, the four-page publication which featured news stories, editorials, biographies, humor, and sports stories.

Nancy Gowdy led the staff as editor-in-chief. Jackie New and Mary Lou Jost served as first page editors; Judy Avery edited second page; Ginette Benson and Linda Fisher, commissioner of publicity, were in charge of third page; Mike Montgomery was sports editor. Mike Scofield acted as business manager, and Amber Oliphant ran the circulation department.

Mr. E. H. Crook was faculty adviser.

School events were recorded by Wendell Mortimer, Dennis Lynch and Jim Gorton, staff photographers. Jack Smith and Tom Graham, under the direction of Mr. Donald Pluppin, saw that the Tiger was printed and ready on time.

Cub reporters learned the ropes this year by covering their assigned runs and fulfilling special assignments from the staff.

Quill and Scroll International Honorary Society for High School Journalists welcomed fifteen new members at a pot-luck supper given at Mike Scofield's home.

At USC on April 3, staff members had the opportunity to attend a panel discussion on the problems of running a paper and a yearbook.

PEP ASSOCIATION. FRONT ROW: Brown, Becker, Q. Weis. SECOND ROW: Domingue, Duke, Phillips, T. Clark, Tom Gould, Jim Clark, King Kirk.

The tremendous spirit of South Pasadena is maintained by the Pep Association. Under the supervision of Miss Helen Graffen, the Association organizes the rooting section and stunts at football games, pep rallies, and Color Day. Under the tradition of wearing white blouses to football games was initiated. This organization also arranges the activities of the song leaders, flag girls, Tigerettes, and majorettes. Much of the work of the Pep Association is concerned with half-time entertainment and activities.

Other members of the association include all the song leaders, yell leaders, the commissioners of activities and athletics. Joanie Becker and Ron Phillips, head majorette. Marlene Kramer, head Tigerette, Sylvia Gibson, and president.

Tom Gould; and class representatives Susie Creswell, Jim Clark, and King Kirk.

This year both the flag girls and the Tigerettes changed the style of their uniforms. The flag girls, headed by Betty Brown, made black denim jumpers with orange lining that were worn with white blouses. The Tigerettes, led by Sylvia Gibson, wore snappy white sailcloth skirts lined with orange and matching vests. White boots completed the outfit.

South Pasadena's enthusiastic spirit is known throughout the Southland, and it is because of the Pep Association's support that Espee has achieved this fame. This group, which has added a great deal of spirit to the school, is appreciated for its fine work.

# CAMPUS COMMITTEES

Dave Ericson watches Cynthia Holloman and John Mott for a paper bag during their daily grading of the campus

Campus committees, which were under the leadership of Dave Ericson, Commissioner of Interior, were in charge of maintenance of a clean campus throughout the school year. An average rating of a "3" or better throughout the week was required for early dismissal on Fridays.

Dave was assisted in the grading of the condition of the campus at the close of lunch period each day by Cynthia Holloman and John Mott, Girls' and Boys' League vice presidents and chairmen of the girls and boys' campus committees respectively.

The campus committees were responsible for the painting of the lockers in the traditional orange and black colors, which was accomplished with the aid of the Girls' League cabinet. Boys of the committee offered their time for painting new lunch benches to be used in the canteen area.

Last year's "thunder" system, used as a warning when low campus grades threatened, assembly ratings, and other awards for committee members, all of which were instituted last year, were discontinued.

Espee's fifteen-minute brunch period was frequently omitted when the campus was found badly littered on the preceding day.

In Hi Y serves to promote good citizenship and the maintenance of high standards of good Christian character among its members.

These ten service clubs have heard speakers on education, vocations, and travel and have visited radio and television shows. Olvera Street, El Poche, and China Town. The clubs have worked on service projects such as aiding in welfare work at El Calvario, making patchwork quilts, and working at the Children's Home in Pasadena.

Many of the members attended the model pre-legislative conference at Whittier College in October, and in February five went to Sacramento to the Youth and Government conference, where Diane Davis served as state chaplain.

This year the Tri Hi Y Council was under the leadership of Diane; Mrs. John Stallings and Mrs. F. H. Hard served as advisers.

## HI-Y

South Pasadena's chapter of the YMCA-sponsored Hi-Y has completed another successful year devoted to the principles of preparing young men for clean and Christian lives. Led by Jim Roodhouse, senior, as their president, each of the three groups enjoyed interesting and informative meetings.

Senior Hi Y has enjoyed such activities as hearing a doctor speak on the merits of his profession. They also sold football programs as their annual fund-raising project.

Members of the junior chapter \_\_\_\_\_ much time doing \_\_\_\_\_ are work at El Calvario. A \_\_\_\_\_ wash, another activity \_\_\_\_\_ taken during the year, proved a big success.

Le Cercle Francais is in its 28th year of providing extra curriculum activity for those French-language students who are interested not only in learning more about the people, customs and language of France, but also in contributing to the activities of the club.

The French Club is led this year by Mary Lou Jost, president; Barbara Brandt, vice-president; and Shirley Bachman and Dorothy Dodds, respectively secretary and treasurer. The group has enjoyed many good times together, attending a travelogue on France and viewing a motion picture providing educational values. On the social side, members held a Christ-

mas gathering at Mary Lou Jost's house at Balboa, and a French potluck dinner, which featured the singing of such songs as the French national anthem, "Le Marseillaise," and other favorites, at the home of Barbara Brandt.

Anyone wishing to join must have earned a grade of at least a "2" in French and must have taken French for one semester.

Under the able sponsorship of Mrs. Elizabeth Berlot, Mr. David Flathers, and Mr. Albert Hauret, Le Cercle Francais enjoyed an immensely successful year.

# SPANISH CLUB

OFFICERS. Miss Burr, Miss Tupica, advisers, Michi Ishikawa, vice-president, Mike Marr, treasurer, Barbara Hunt, secretary, Elisa Najera, president

El Club Galdos. South Pasadena's Spanish Club spent another year filled with tortillas, castanets, pinatas, and plenty of fun. Led by the officers, Elisa Najera, president; Michi Ishikawa, vice president; Barbara Huntington, secretary, and Mike Marr, treasurer, the entire membership spent many happy hours together.

There were the times they increased their knowledge of the Spanish-speaking countries by seeing movies on Guatemala and Central America. A Mrs. Hotchkiss showed wonderful slides taken during her extensive travels through Spain.

The afternoon meetings were heightened by professional talent as well as by programs emanating from the club.

This home talent included Spanish rhythms and melodies played by some musical members.

With the coming of the Christmas season the members held their annual Spanish banquet at the Oneonta Congregational Church in South Pasadena. The banquet, including such Spanish delicacies as tacos, enchilladas and tortillas, was enjoyed by all. And then there was the traditional, brightly colored pinata to be broken open, showering everyone with candy and nuts! After the fun such old favorite Christmas carols as "Noche de Paz, Noche de Amour" could be heard floating on the air.

El Club Galdos had as its advisers Miss Nadia Tupica and Miss Helen Burr, Spanish teachers.

Espee's Comes Club endeavors to stimulate interest in Latin as well as give new light in Roman life and history. Periodical meetings are held to raise scholarship funds, conduct business and provide additional social activities. Second, third and fourth-year students are eligible to join this organization.

At initiation incoming members walked down the aisles of the auditorium singing "Twinkle, Twinkle, Little Star" in Latin. Officers elected for the year were Joan Ukropina, president; Barbara Meeker, vice-president; Trudy Garmshausen, secretary; and Jim Barry, treasurer. Mr. David C. Flathers, a new Latin instructor at this high school, advised the group.

Carols were sung in Latin at a Christmas party at which small gifts were exchanged and refreshments served. Shortly

after the first of the year new members received their club pins. Guards were donated by the club to the four officers. Viewing the Cinemascope production of *The Robe* was one of the year's many highlights. "Dragnet the Roman Way," a short play written by Judy Keefe, was presented in the Hello Day assembly.

The annual Roman banquet, to which members were not admitted unless barefooted and clad in togas, highlighted the activities of the year. The Roman dinner, planned by Annette Weis, Sandy MacCallum, Donna Bergstrom, and Sue Morgan, was served after members enjoyed a swim. Advanced students reclined to eat as the second year students served as slaves. The party, at which prizes were awarded for the most original togas, ended a year bringing eventful and enjoyable meetings for the club members.

OFFICERS. FRONT ROW: Nancy Ewing, secretary; Bronson Berlin, vice-president. SECOND ROW: Cecily Woodward, treasurer; Dennis Lynch, president.

Dennis Lynch, Bob Christiansen and Doug M. Dermott are rehearsing a scene from "Mr. Roberts," produced for one of the club's meetings.

Cloak and Dagger is a must on every student's club list if he enjoys acting, directing, study of make-up, and the many other things connected with good theatre.

The first activity to go on the rehearsal schedule was the annual Christmas play, presented in connection with the modern dance group and glee club. Students who wished to act and work on make-up were given chances to "ply their trades."

Regular meetings of "the thespians" have included talent

shows put on by members themselves. Given at one meeting were scenes from the stage play, *Mr. Roberts*.

*Arsenic and Old Lace*, by now practically a theatre classic, was one of the plays seen on frequent club trips to the Pasadena Playhouse.

Guiding a record membership this year was head director, Dennis Lynch. Aiding Dennis were Bronson Berlin, vice-president; Nancy Ewing, secretary; and Cecily Woodward, treasurer. Mr. Robert Tewksbury was faculty adviser for the group.

The Sophomore Art Club has participated in many interesting activities and meetings during this past year. A sketching party in the Arroyo Seco and a weiner roast at Mrs. Roma Anderson's art studio proved to be much fun.

Mr. John Krause of John Muir College presented an interesting talk about old paintings and pottery to a joint meeting of the Sophomore and Junior-Senior Art Clubs.

Games and refreshments highlighted the successful Valentine party held in Mrs. Anderson's ceramics room.

Under the leadership of Mike Lanham, president; Kay Hughes, vice-president; Susan Hartzell, secretary-treasurer; and Mrs. Roma Anderson, adviser, the meetings and activities were enjoyed by all.

The Junior-Senior Art Club has enjoyed a successful year with its aim to give art students added experiences not adapted to the classroom. Meetings featured sketching trips, Mrs. Mary Pulliam, who spoke on the technique of flower arranging, and a Christmas party in Miss Hester Lauman's home.

A major project, raising funds for the annual \$100 scholarship awarded in June, was headed by Joan McAvoy, scholarship chairman. Over the holiday season club members sold cards and Christmas decorations which they had designed and painted.

Heading the art group were Joanie Swanson, president; Judy Flodin, social director, and Carol Cauthen, program director, vice-presidents; Mary Jo McAllister, secretary; and Barbara Freitag, treasurer. Adviser was Miss Hester Lauman.

# TIGER EYES

OFFICERS FRONT ROW Mary Gould, secretary, Mary Lou Jost, program chairman SECOND ROW Andy Rawn, treasurer, Mike Thacker, president

To give students who are interested in the world about them an opportunity to become better acquainted with nature is the main purpose of Tiger Eyes. This biology club, under the sponsorship of Miss Mary Jo Sowards, has enjoyed the past year by taking trips to various places of interest in and around Southern California. An overnight beach party at the home of Mary Gould in Balboa and a trip to Catalina in the spring were two of the highlights among their activities.

Several parties were held, beginning in the fall with the initiation of new members, who performed stunts to add to the merrymaking. A Christmas party which featured relay races and balloon-popping was held at the home of Cynthia Peterson. An ice-skating party at the Pasadena Winter Garden in February proved to be a popular activity. Those who attended adjourned to Paul Hauge's home for refresh-

ments afterward. An educational meeting providing information about the Sierra Nevada Mountains was also a part of the club's program for 1953-54. The seniors of the club held a graduation dinner in June.

A trip to Dinosaur National Monument is planned for the week following close of school. About fifteen students from the biology classes are scheduled to accompany Miss Sowards on a week's journey down the Green River in rubber rafts.

Membership in the club is restricted to students who earned "2" or better in biology. Selections to fill the limited membership are made from applications submitted by interested students.

Tiger Eyes was led by Mike Thacker, president, Mary Gould, vice-president, and Andy Rawn, treasurer.

One of the most eventful and educational years in the history of the Cimota Club was enjoyed in 1953-54 under the enthusiastic leadership of Mr. Robert Fellman, adviser; Paul McManigal, first semester president; and John Kensey, president for the second semester.

Because of the change of officers and the induction of new members during both terms, two initiations were held—one at the home of Ewing Delphey and the second at Paul McManigal's.

Regular meetings offered new information and ideas to members, who must have earned a "2" or better in chemistry or physics to be eligible to join. A rocket fuel demonstration by a Cimota Club member, Harold Couch, highlighted one of the educational gatherings. A speaker from Aero-Jet brought special movies on a one-man submarine to another

meeting. Early in the school year the members enjoyed a pot luck dinner, which was preceded by a talk on smog. The annual trip through the Kaiser Steel Mill in Fontana was taken. In April Peter Harrison acted as chairman of the science fair, which is annually sponsored by the Cimota Club. Science students entered projects in biology, physics, and chemistry divisions. Winning entries were submitted to the Los Angeles County Science Fair for further competition. An exciting year was climaxed with a swimming party and dinner.

Officers who served under Paul McManigal were George Bole and Carole Doyle, boys' and girls' vice-presidents; Mary Locher, secretary; and Ken Ishizu, treasurer. Working under John Kensey during the second semester were Margo Lovendale and Harold Couch, girls' and boys' vice-presidents; Carol Doyle, secretary; and Wendell Mortimer, treasurer.

during a rehearsal

The modern dance department, under the direction of Mr. Marietta Schuck, has become a very definite part of the girls physical education department.

The members have participated in a Play Day program at Monrovia High School, a Christmas program, and the annual Spring Show.

Modern dance is healthful as well as artistic. It is in accord with our contemporary way of living; modern dance is to interpret every day expression through rhythmical movement.

Offered to girls in physical education classes on Mondays, Wednesdays, and Fridays, modern dance develops poise, confidence, and instills rhythm and co-ordination.

The Gourmets, composed of girls from cooking and sewing classes, was led this year by Dixie Donnell, president, Janet Hibbard, vice-president, Helene Anderson, secretary, and Pam Parsons, treasurer. In October a swimming party and potluck supper was held at Mary Gould's home, and in December a meeting was held at the home of Mrs. Annabelle Erickson, adviser. In January an enjoyable talk was given by a speaker for the Red Cross. The last meeting, held in May at Mrs. Erickson's home, brought an end to a highly successful year.

COACH JIM LAUT.

After starting out with a great practice season, Jim Eacutt's Tiger gridmen suffered many unfortunate injuries which left them fifth in league standings. Among the nineteen injured Bengals were Ron Wheatcroft, John Mott, Don Gentry, Tom Beebe and Ron Currie.

Espee's Tom Beebe was named as first string center on the All-Foothill League team, while Ron Wheatcroft and Ron Currie were elected to the All-League second team.

The Tigers opened the 1953 Foothill League season by dropping the Glendale tilt, 20-7. Halfback Tony French

scored the lone South Pas T.D. after a thrilling 79-yard run

Ron Currie led the Bengals to a 13-0 victory over Burroughs, carrying the ball 17 times for 109 yards and one touchdown.

Covina's Colts tromped over the Tigers, 21-0, as Currie unexpectedly came down with the mumps. Ron Wheatcroft played an outstanding game at the end position both on offense and defense, catching four aeriels for a total of 68 yards.

Coach Chuck Hannah's midget Tigers showed improvement over last year averaging 14.5 points per game. Hard-hitting John Fopano was a great ball-handler for the Tigerkitts. In the Fullerton practice game, John took the pigskin on the first scrimmage play of the game for 70 yards and a touchdown.

Sophomore Ted Settle looked very promising in the quarterback spot with Dave Hyland, a junior, out on the end to receive. Another sophomore, Brad Thurman, punted very well for the Hannahmen.

Among the many outstanding Bee footballers were Tom Clark, Jim Dougherty, Taylor Story, Bruce Ungles, Pete Westerlind and Bob Whitcher.

RIGHT TOP Taylor Story takes the pigskin for 75 yards to pass it as he outraces Covina defenders. John Fopano runs into opposition following a 10 yard gain against Covina. Tigerkitts won this tilt 39-0.

## *VARSITY BASKETBALL*

Coach C. Merrill Green produced some truly great basketballers during the 1954 season, but because of injuries and sickness, ended the season in a tie for second place. Espee's coin-flipping luck came to an end as Hoover went into the finals along with the league winner, Covina. The Greenmen averaged 54 points a game in league competition while their opponents averaged 46 points per tilt. A school scoring record was broken in Montebello when the Tigers scored 80 points.

Ron Wheatecroft, although suffering from an ankle injury, was voted the Tigers most valuable player and named to the first string All-CIF Basketball squad. Big Ron (6 ft. 3 in., 200 lbs.) placed second in league scoring with 181 points in 10 league games and was also elected to the first-string All-Foothill League team. "Wheaties" also broke an Espee record by scoring 37 points in the tilt against Montebello.

Dick Skaer, big 6 ft. 6 in. center, ranked seventh in league scoring by sinking 140 points in 12 games. He was named on the Second All-League team along with the Tigers' captain, Don Gentry. Tom Gould, 6 ft 3 in guard, was given All-League Honorable Mention.

# GIRLS' SPORTS

Miss Vivian Atherton and Miss Helen Graffen  
game during 6th period

Girls' physical education classes this year have enjoyed many sports under the direction of gym instructors, Miss Vivian Atherton and Miss Helen Graffen.

Volleyball, basketball, speed-a-way, hockey, and softball have been the regular activities, supplemented by badminton and tennis. As an added feature this year, a three weeks' golf instruction course was given by Coach Charles Hannah for both boys and girls who were interested.

Two playdays were featured among the G. A. A. activities, one given at South Pasadena and one at Mark Keppel. Although limited facilities made it difficult for the G. A. A. to offer as many sports as it would have liked, girls did enjoy volleyball, speed-away, tennis, badminton, and table tennis. The banquet at the end of the year brought an end to a very active G. A. A. season.

Speedaway in November

up the ball between Diane C. Davis and Judy Jones as the other members of the team attempt to get the ball.

Diane Young and Sharon Malone attempt to guard the ball during an exciting game of hockey as Margaret von Essen and Grace Ballard try to make a goal.

Judy Mouron begins her golf lesson by teeing off with the ball as Judy Jones and Ann Frank await their turns. A three weeks' course in golf was given by Coach Charles Hannah.

With the cooperation of a large number of students and friends of the school, the 1954 COPA DE ORO could not have become a reality. Members of the COPA DE ORO staff wish to express their sincere appreciation especially to

Mr. H. K. A. . . . . from Los Angeles so many times to advise us. Without him we would have been lost a thousand times.

Pat Henry, who created the lovable Tiger cubs which frolic on the division pages and cover of the COPA. Thanks also to Jo McAllister, who aided in the art department by doing the lettering which appears on the cover and title page, and Miss Hester Lauman, who guided Pat and Jo in the art work.

Mr. E. H. Crook, our own adviser, who so patiently guided us as we faced each . . . . .

Mr. F. H. K. . . . . pictures of administrators, counselors, juniors, seniors, and the ball Queen and Prin . . . . .

Mr. Harry Wood of Wayside Press, who patiently put up with

cover on the 1954 COPA DE ORO

The many COPA salesmen whose efforts made the book a success

The faculty, who co-operated so understandingly when classes were disrupted for the taking of pictures

The TIGER staff, which gave us so much wonderful publicity, the COPA sales

Thanks also to the many, many others who gave their time in our . . . . . of their efforts, we hope, the 1954 COPA DE ORO will be long remembered

With sincerest appreciation  
NANCY EWING, Editor-in-Chief

My best always.  
See you next year!  
Good luck!  
Cassia K. 55"

A red-toned illustration of four anthropomorphic cats performing a musical routine. On the left, a cat in a checkered jacket plays a drum. Next to it, a cat in a patterned shirt plays a xylophone. In the center, a cat is inside a large barrel with a striped band. To the right, a cat in a dark dress plays a trumpet. A small cat is on the floor in front of the barrel. The background has musical notes and a small tree. The signature 'P.H.' is in the bottom right corner.
